

3FT PRO-AUDIO XLR MALE TO RCA MALE CABLE

40046 | [C2G](#)

FEATURES & BENEFITS

DISCONTINUED Use this XLR to RCA cable to connect unbalanced sources to balanced XLR inputs. This pro-audio cable is made from 22 AWG twisted pair audio cable under an aluminum foil shield and 60% copper braid for maximum shielding from noise. The highly flexible 7mm PVC jacket reduces the risk of the cable kinking and damaging the conductors.
