

## 25FT PRO-AUDIO XLR FEMALE TO RCA MALE CABLE

40055 | [C2G](#)

---

### FEATURES & BENEFITS

Use this XLR to RCA cable to connect balanced line outputs to unbalanced line inputs. This pro-audio cable is made from 22 AWG twisted pair audio cable under an aluminum foil shield and 60% copper braid for maximum shielding from noise. The highly flexible 7mm PVC jacket reduces the risk of the cable kinking and damaging the conductors.
