## 45°; 8 AWG SCREW-ON SPEAKER CABLE PIN - 4PK

29782 | [C2G](#)

---

### FEATURES & BENEFITS

**DISCONTINUED** These angled pin-type plugs deliver excellent sound quality for today's audio and home theater applications, and will help your system perform at its highest ability. They are constructed with 24K gold plating that provides ultra low loss signal transfers and resists deterioration. Corrosion-resistant and precision-machined, these connectors ensure superior fit and long-lasting quality.
