

3FT MINI DISPLAYPORT MALE TO HD MALE ADAPTER CABLE - BLACK (TAA COMPLIANT)

54420 | [C2G](#)

FEATURES & BENEFITS

The Mini DisplayPort to HD adapter cable is an ideal solution for a conference room or huddle space by connecting a tablet, laptop computer, or another source device with a Mini DisplayPort output to a projector, monitor, or HDTV which accepts an HDMI input.

Convenience

This adapter cable carries a digital audio/video signal for a convenient, single cable solution that delivers audio and video to a presentation.

Performance

Supporting resolutions up to 1080p at 60Hz with a simple plug and play allows this adapter cable to meet the requirements for high performance applications.

- Directly connect a Mini DisplayPort output to an HDMI input
- Carries a digital audio/video signal
- Supports up to a 1080p resolution at 60Hz
