

AMBER LED NIGHT LIGHT W/ DUPLEX 15A TAMPER-RESISTANT OUTLETS, WHITE

NTL885TRAMBERW | [radiant](#)

FEATURES & BENEFITS

Install extra nighttime convenience, control and safety with radiant night light devices. This combination Amber LED night light replaces any existing single-pole or 3-way switch devices and features a hidden sensor that automatically controls the night light, plus five adjustable light levels.

For detailed Tamper-Resistant receptacle information, visit our [Tamper-Resistant Receptacles](#) page.

- Two 15A Tamper Resistant outlets.
- Replaces any standard receptacle without losing an outlet.
- Five adjustable light settings, including Ultra Low, Low, Medium, High and OFF.
- Hidden sensor automatically controls night light based on ambient light.
- Energy-efficient soft glow Amber LED light remains cool to the touch even when in use.
- Ships with optional louver included.
- Side and back wire terminations.
- For covering patents, see www.legrand.us/patents.
- Less disruptive to circadian rhythms and sleep patterns than white light.
