

## 15A 3-WAY SWITCH, BROWN

TM873 | [radiant](#)

---

### FEATURES & BENEFITS

The radiant® collection is a step up from the standard with simple, classic options in wiring devices, home automation controls and screwless wall plates that complement today's homes.

radiant® Screwless Wall Plate not included.

**PRODUCT**  
ENVIRONMENTAL PROFILE

- Replaces any standard 3-way switch with ease.
- Allows you to control a light fixture from two locations in a room.
- Smooth paddle action.
- High-impact resistant thermoplastic construction for durability and extended service life.
- Side wire terminal screws #12 AWG solid wire; push wire terminals accept #14 AWG solid cooper wire only.
- Narrow back body leaves more room for wires in the box.
- Captivated mounting screws offer hassle-free installation.
- Coordinate your USB charger with a radiant screwless wall plate.
- For covering patents, see [www.legrand.us/patents](http://www.legrand.us/patents).
