
XLR PANE MOUNT PLATE

AV9016BK | [Wiremold](#)

FEATURES & BENEFITS

Wiremold audio/video interface plates (AVIP) allow for A/V connectivity in all Wiremold A/V compatible pathways. AVIP Series Device Plates are metal and have screwed-down connectors, which ensure a secure connection that cannot be easily pulled-out or disconnected while in use. Available in data, audio, and video versions, AVIP Series Device Plates help you stay connected in meeting and training rooms, collaboration spaces, or work areas.

- For Audio Applications
- Double-plate design
- Screw-down design ensures a secure connection that cannot be easily pulled out or disconnected while in use.
- Designed to work in all Wiremold A/V compatible pathways.
