
TRIPLE BLANKING PLATE

432 | [Wiremold](#)

FEATURES & BENEFITS

In brass or aluminum. Dimensions are 13 5/16" x 6 1/6" (338mm x 154mm).

- **Flush activation assemblies** Aesthetically pleasing fittings with low profile connections for power.
- **Flush plates provide ease of connection.** Saves time and money. The preset and cover replace the need for a handy box to make conduit connections or splicing connections.
- **Wide Range of activations** Whatever the requirement, there are several options to choose from without compromising aesthetics, functionality, or durability.
- **Flush flanges and covers match Walker Floor Boxes.** When products are installed in the same area, they offer a uniform appearance.
-
