## AL2000 AND AL2400 SMALL RACEWAY

AL2000/AL2400 | [Wiremold](#)

---

### FEATURES & BENEFITS

AL2000 and AL2400 two-piece, single-channel aluminum raceway is an attractive choice for hospitals, laboratories and commercial offices. The finish offers high-tech aesthetics and corrosion resistance.

- **Selection of sizes.** Different sizes of two-piece single channel aluminum raceway to meet various application needs.
- **Attractive, tapered snap-together aluminum extrusions.** Blend with any décor. Enables quick and easy circuit modifications or additions.
- **Satin anodized finish.** Provides aesthetic upscale appearance and corrosion resistance.
- **Full range of fittings.** Provides a complete wiring solution.
- **Full range of device boxes.** Allows power or communication activation at point-of-use when raceway is used for power or communication cabling.
- **AL2043 factory wired in-line receptacles.** 6" [152mm] cover with prewired receptacles can be easily added to existing raceway. Pigtailed receptacles allow quick installation on site.
