

The Clarity® family of 110 blocks combines Category 6 and 5e performance with the ease and reliability of 110 termination and installer friendly features all within the traditional 110 block footprint. Clarity blocks are available in 50, 100 and 300-pair sizes, providing designation areas and rear cable entry. Clarity 6 blocks use a signal feedback technique internal to the C6110C4 connector to control crosstalk without compromising impedance. Clarity 6 and Clarity 5E block kits include base wiring block, 110C connecting blocks and label holders for designation.

Features & Benefits

ETL third party tested and verified Category 6 performance

High density design

Color-coded C6110C4 connecting blocks

Backward compatible to Category 5 and 5e

Supports consolidation point applications

Standard 50-pair 110 footprint

Internal signal feedback technique

Provides a termination that is more transparent to

New and improved labeling system

Specifications

General Info

Product Line	Ortronics	UPC Number	662875433842
Country Of Origin	United States		

Dimensions

Product Width US	10.71 in	Product Depth US	3.34 in
Product Height US	3.57 in
