

Legrand quick-cure, anaerobic epoxy field-installable connectors speed installation time. Strip the fiber, inject the adhesive into the connector, insert and scribe the fiber, then polish the connector end face to perfection for a high performance termination.

## Features & Benefits

- Single mode or multimode:

Simplistic offering reduces confusion with a one style connector that covers all multimode applications to include 62.5 micron, standard 50 micron, or laser optimized 50 micron for 10 Gigabit transmission, and single mode
- Reliable performance:

Secure the installation of fiber using an adhesive and primer for a secure, worry-free termination.
- Minimal tools:

A compact and economical tool kit contains all the common tools necessary to complete the termination.
- Pre-radius LC:

Minimal polishing and consistent end-face geometry resulting in more consistent optical performance

## Specifications

### General Info

Product Line	Ortronics	UPC Number	662875607373
Country Of Origin	Mexico		

### Dimensions

Product Width US	1.5 in	Product Height US	0.36 in
