

Ortronics

Infinium Keyed LC Splice-On Connector (SOC) For 900 Micron Fiber, 9/125 Single-Mode OS2 Orange Part No. 205KKF9SA-09-E

Legrand pre-polished keyed LC multimode and single-mode connectors provide the same ease of installation and high-quality performance as our line of standard LC pre-polished connectors. Up to twelve keys/colors of connectors are possible with unique physical keying configurations.

Features & Benefits

12 color/key configurations available	50/125 microns and 9/125 microns laser-optimized fiber
12 Cotol/key Colligurations available	types available

LC Keyed cadapters prevent improper connection of separate networks with common access points

Each LC secure adapter will mate only with same-color LC secure connector

High quality 1.25 mm zirconia ferrules used

Internal keying feature prevents tampering

High quality 1.25 mm zirconia ferrules used

1.6 in boot protects the splice for easy cable management

The solution to managing multiple networks with reduced risks

Specifications

General Info			
Product Line	Ortronics	UPC Number	662875026570
Country Of Origin	United States	Туре	Connector
