

Ortronics

Infinium Keyed LC Splice-On Connector (SOC) For 900 Micron Fiber, 9/125 Single-Mode OS2 50 Pack Brown

Part No. 205KKF9SD-09-J

- Legrand pre-polished keyed LC multimode and single-mode connectors provide the same ease of installation and high-quality performance as our line of standard LC pre-polished connectors. Up to twelve keys/colors of connectors are possible with unique physical keying configurations.

## Features & Benefits

12 color/key configurations available	50/125 µm and 9/125 µm laser-optimized fiber types available
LC Keyed cadapters prevent improper connection of separate networks with common access points	50/125 µm and 9/125 µm laser-optimized fiber types available
Each LC secure adapter will mate only with same-color LC secure connector	High quality 1.25 mm zirconia ferrules used
Internal keying feature prevents tampering	High quality 1.25 mm zirconia ferrules used
1.6 in boot protects the splice for easy cable management	The solution to managing multiple networks with reduced risks

## Specifications

### General Info

Product Line	Ortronics	Type	Connector
--------------	-----------	------	-----------

### Technical Information

Fiber Size	9/125	Temperature Rating	-40 to +75°C
Service Life	< 0.2dB typical change,500 matings
