

radiant Collection radiant® 20A Duplex Self-Test GFCI Receptacles with SafeLock® Protection, Gray

Part No. 2097GRY

GFCI receptacles from the radiant® Collection self-test automatically every three seconds to ensure reliable protection from shock due to ground fault occurrences. Meeting National Electrical Code requirements for ground fault protection, GFCI receptacles make it easier to recognize and fix trips right where they happen - no more confusion at the breaker box. 20A outlets are ideal for use with larger appliances, as well as to meet regional requirements (Chicago, Canada). GFCI protection is required by code in bathrooms, kitchens, garages, basements, outdoor areas, and for any other outlets found within six feet of a sink or water source. GFCI outlets should always be used when replacing existing GFCI outlets during renovation. Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately. Spec-Grade devices are engineered to meet federal specifications for use in commercial

Features & Benefits

Protects against shock caused by ground-fault occurrences. Conducts an industry-leading automatic self-test every 3 Unlike breaker alternatives, GFCI receptacles make it easier to seconds. If the device ever fails, the indicator light flashes to fix trips with a reset button right on the device

Equipped with proven SafeLock protection feature: if critical components are damaged and protection is lost, power to the outlet is disconnected

Replaces any standard receptacle with ease, in as little as 10 minutes

More color options available to fit any style, including finishes to match current hardware and lighting trends

signal it should be replaced

Extends GFCI protection to "downstream" outlets when used with feed-thru wiring configuration. Note: Will cut power to face and downstream outlets if wired incorrectly

Features durable, high-impact resistant thermoplastic construction

Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection
