

On-Q
Discontinued - AnyLine Adapter
Part No. 36426001V1

Connect phones, faxes, and modems to any line at a four-line telephone jack. Supports two-line phones with one jack. Allows the homeowner to run multiple devices through a single jack. Offers flexible plug on a cord that hangs discreetly below the jack

Features & Benefits

Eliminates the need for rewiring. Connects standard telephone devices to specific phone lines at the standard TIA/EIA 568A four line jack.
