

Quiktron  
Q-Series 28 AWG CAT6 Patch Cable, Blue, 9 FT  
Part No. 576-RD10-009

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

## Features & Benefits

Reduced Size: 36% reduction in diameter compared to standard Cat6 cables

Standards Compliant: Meets the TIA-568-C.2 standards for patch cord performance

Snagless connector design: Prevents unwanted cable snags during installation and provides extra strain relief

Many Color Options: Available in a variety of colors

Small diameter UTP patch cord: Great for higher-density and limited applications

## Specifications

### General Info

|                   |                   |                    |                       |
|-------------------|-------------------|--------------------|-----------------------|
| Product Line      | Quiktron          | UPC Number         | 884815799911          |
| Country Of Origin | Vietnam           | Application Sector | Commercial/Industrial |
| Type              | Copper Patch Cord |                    |                       |

### Dimensions

|                   |          |                   |        |
