

## Quiktron Q-Series 28 AWG CAT6 Patch Cable, White, 6 FT

Part No. 576-RD25-006

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

## Features & Benefits

Reduced Size: 36% reduction in diameter compared to standard Cat6 cables

Snagless connector design: Prevents unwanted cable snags during installation and provides extra strain relief

Small diameter UTP patch cord: Great for higher-density and limited applications

Standards Compliant: Meets the TIA-568-C.2 standards for patch cord performance

Many Color Options: Available in a variety of colors

## **Specifications**

General Info			
Product Line	Quiktron	UPC Number	884815787857
Country Of Origin	Vietnam	Application Sector	Commercial, Industrial
Туре	Copper Patch Cord		
Dimensions			
Product Weight US	0.066 lb	Product Length US	6.0 FT
Additional Information			
RoHS Compliant	Yes
