

Quiktron  
Q-Series 28 AWG CAT6 Patch Cable, Red, 1 FT  
Part No. 576-RD30-001

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

## Features & Benefits

### Reduced Size

36% reduction in diameter compared to standard Cat6 cables

### Standards Compliant

Meets the TIA-568-C.2 standards for patch cord performance

### Snagless connector design

Prevents unwanted cable snags during installation and provides extra strain relief

### Many Color Options

Available in a variety of colors

### Small diameter UTP patch cord

Great for higher-density and limited applications

## Specifications

### General Info

Product Line	Quiktron	UPC Number	884815788588
--------------	----------	------------	--------------

Country Of Origin	Vietnam
-------------------	---------

### Dimensions

Product Weight US	0.011 lb	Product Length US	1.0 in
