

Quiktron
Q-Series 28 AWG CAT6 Patch Cable, Black, 15 FT
Part No. 576-RD35-015

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

Features & Benefits

Reduced Size
36% reduction in diameter compared to standard Cat6 cables

Snagless connector design
Prevents unwanted cable snags during installation and provides extra strain relief

Small diameter UTP patch cord
Great for higher-density and limited applications

Standards Compliant
Meets the TIA-568-C.2 standards for patch cord performance

Many Color Options
Available in a variety of colors

Specifications

General Info

Product Line	Quiktron	UPC Number	884815787239
Country Of Origin	VietNam	Application Sector	Commercial/Industrial
Type	Copper Patch Cord		

Additional Information

RoHS Conformant Yes
