

## Quiktron Q-Series 28 AWG CAT6 Patch Cable, Orange, 6 FT

Part No. 576-RD40-006

Reduced diameter is ideal for high density data center applications. The smaller cable surface area allows for increased airflow and a smaller bend radius, which makes it easy to route through cable management panels.

## Features & Benefits

Reduced Size: 36% reduction in diameter compared to standard Cat6 cables

Snagless connector design: Prevents unwanted cable snags during installation and provides extra strain relief

Small diameter UTP patch cord: Great for higher-density and limited applications

Standards Compliant: Meets the TIA-568-C.2 standards for patch cord performance

Many Color Options: Available in a variety of colors

## **Specifications**
