

## Wiremold 6in Flush Style Heavy Duty Cover Assembly Part No. 6CTHDBS

Designed for Evolution Series Poke-Thru Devices, RFBE Series Floor Boxes and CRFB Series Floor Boxes, Evolution Heavy-Duty Round Covers provide high-strength and corrosion resistant access to power, communications and audio/visual services recessed below floor level. Evolution Series Heavy-Duty Round Covers are the perfect fit when heavy equipment use is common or the layout of the space changes frequently. These covers are an ideal solution for airport terminals, ballrooms and entertainment venues.

### Features & Benefits

**High-strength:** Withstands loads from common interior mobile equipment like carts, scissor lifts and maintenance carts. Tested to a load rating of 8,000 lbs. with 1.5 factor of safety.

**Low maintenance:** Made from solid stainless steel and solid brass which stand up to road salt, harsh cleaners and other chemicals. Easily clean to bring back original luster. Perfect for convention centers, airport terminals, malls and atriums.

**Keep a common look:** Complements standard Evolution covers and fits on Evolution Series Poke-Thru Devices (6AT and 8AT only) and RFBE Series Floor Boxes.

**Wear resistant:** Made from solid stainless steel and solid brass castings that eliminate the worry of worn, discolored finishes.

**Standard locking latch:** 1/4 turn latch can easily be made tamper-resistant to restrict access to facility maintenance teams.

**UL Listed and UL fire classified to US and Canadian safety standards:** UL fire rated for up to 2-hour rated floors, maintaining the fire classification of the floor.

### Specifications

#### General Info

Product Line	Wiremold	Color	Brass
UPC Number	786564103097	Country Of Origin	China
Application Sector	Commercial	Standard	cULus Listed, Metallic Outlet Box File Number E2961. Guide QCIT. Classified for Fire Resistance: File R8209, Guide CEYY.
Type	Cover
