

Legrand
FloorSource™ Round Furniture Feed Box
Part No. 6FF-AFB

The new FloorSource Series Round Furniture Feed Floor Box is designed to work in both wood and raised floor applications, perfect for feeding power and data to modular furniture. Constructed of die cast aluminum material, the furniture feed floor box can be divided for dual service. Each 3 inch (76mm) tall box is provided with a durable sheet metal cover. This box accepts the 6 inch (182mm) round Evolution Series furniture feed covers.

Features & Benefits

Box can be installed into both raised and wood floor applications. The box will be easier to order and purchase and the stock will work for everyone.

Quicker and easier installation. The 6FF-AFB Furniture Feed Floor Box fits into a standard 6" [152mm] diameter hole. The round shape makes install easier and quicker, increasing productivity and reducing jobsite cost.

Suitable for use in air handling areas. In accordance with Sec. 300-22(c) of the National Electrical Code.

Multiple size knockouts. Evolution Series Furniture Feed Floor Boxes are available with multiple trade size knockouts ranging in size from 3/4" to 1 1/2" allowing for multiple activations and wiring configurations.

Large capacity side entrance. With 3in2 [1935mm²] there is plenty of capacity for a large bundle of communication cables or preterminated A/V cables.
