

Wiremold
880W1 Series Steel Floor Box
Part No. 880W1

880W Series™ Wood Floor Boxes provides an excellent solution for unique wood floor applications when power and communication services are required in remote locations, as in a large, open space area. This wood floor box series is available in a rectangular design in one-, two, or three-gang configurations and can be used in any wood frame construction. 880W Series Wood Floor Boxes have many different applications. Some of those include upscale housing, home offices, board rooms, and gymnasiums.

Features & Benefits

One-gang steel box for wood floors.

Specifications
