

Cablofil Wiremesh Cable Tray concept based upon performance, safety and economy; three qualities which make Cablofil Wiremesh Cable Tray system preferred by installers. Cablofil adapts to the most complex configurations, and its structure gives maximum strength for minimum weight. The ease of creating fittings, carried out on site, as well as the wide range of unique and universal accessories gives complete freedom in routing combined with exceptionally fast installation.

Features & Benefits

Use HD FAS Roller to pull large power cables on MC cables.	Heavy-duty frame attaches to any Cablofil tray with EZ BN 1/4 and CE 30.
Swing-open gate allows easy loading and unloading of cables.	4-roller design allows cables to be pulled in any direction - prevents cable snags.
Bi-colored rollers show installer that roller is functioning properly - prevents burned cable insulation.	Sold Individually
Always place hinge side to inside radius when used on fittings.	Inside diameter is 4".

Specifications

General Info

Product Line	Cablofil	Finish	AT
UPC Number	800388016927	Country Of Origin	United States
Application Sector	Commercial, Industrial	Standard	UL Classified
Type	Accessories		

Dimensions

Product Width US	9.09 in	Product Weight US	3.2 lb
Product Volume US	0.14 cu ft	Product Depth US	3.09 in
Product Height US	8.62 in		

Trade Programs

BAA	Yes
