

Ortronics

Avaya®/Nortel® AA1419013-E5 Compatible 1000Base-SX MMF SFP (mini-GBIC) Transceiver Module
Part No. AA1419013-E5-LEG

Features & Benefits

Transceiver type SX allows for connections up to 550m

850nm wavelength signaling

High speed 1-Gigabit connectivity

LC ports designed for use with Multimode fiber

Specifications

General Info

Color	Silver	UPC Number	757120668565
-------	--------	------------	--------------

Country Of Origin	United States	Product Line	Legrand
-------------------	---------------	--------------	---------

Application Sector	Commercial/Industrial
--------------------	-----------------------

Additional Information

RoHS Conformant	Yes	Product Has Potential to Contribute to LEED	Yes
-----------------	-----	---	-----
