

adorne Collection  
adorne® Portable Night Light, White  
Part No. AARNL2

Perfect for when portable light is needed, whether it's during a power outage or simply while putting little ones to bed. As innovative as it is stylish, the device acts as a sleek in-wall nightlight until it's popped out to travel as a mobile light source. Simply press and release the nightlight to take it with you on the go, for up to eight hours of battery-operated light. Batteries come installed and recharge while in the wall caddy.

### Features & Benefits

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.
