

On-Q
Enclosure Power Strip Module, Half Width
Part No. AC1031

This power strip includes six AC power receptacles to connect power supplies in the low voltage enclosure

Features & Benefits

Designed to power up to six devices

Package includes three IEC C13 adapters and one IEC C7 ("figure-8") adapter to vertically stack On-Q power supplies neatly in the enclosure

Half-width size allows two modules to be mounted side-by-side in the enclosure

Power switch controls all outlets with overcurrent protection

15A/UL rated

For a total surge protected solution, add the 364569-02-V1 Surge Protected Duplex Outlet Kit
