

## adorne Collection Discontinued - adorne® Wi-Fi Ready Lighting Remote Control Part No. ADMHRM4

Another layer of convenient control for your Wi-Fi Ready devices. When paired with adorne's Wi-Fi Ready Switches or Dimmers, the remote allows you to program and access lighting scenes with the touch of a button. The adorne Hub is required for operation. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Installs in 25 minutes or less.

Lets you control light with the push of a button; simply pair with an adorne Hub (required) and any Wi-Fi Ready switches or dimmers to enjoy customizable lighting control.

More color options available to fit any style, and lighting trends

Complete the look with a stunning, screwless adorne® Wall Plate, not including finishes to match current hardware included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
