

adorne Collection
adorne® 700W Incandescent/Halogen Paddle™ Dimmer
Part No. ADPD703HM4

Perfect for anywhere you'd like the combined power of on/off and dimmable lighting control options. Turn lights on or off with a simple rocking motion, or slide to dim to your preferred light level. This 700W version of the Paddle Dimmer Switch is meant for single fixtures and small lighting groups. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

For use with incandescent/halogen bulbs, and features smooth paddle action for turning lights on and off, plus easily adjusts lights to your preferred light level.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
