

adorne Collection Discontinued - adorne® 1100W Incandescent/Halogen sofTap® Dimmer, White Part No. ADTP1103HW4

Control your lights, and even adjust the light level, with just a soft tap of a finger thanks to inventive micro-movement technology. Use this dimmer switch on its own to control an incandescent or halogen light or fixture from a single location, or pair with another remote dimmer switch for 3-way control a single light source from two locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation

Usable in both single-pole and 3-way applications.

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

For use with dimmable incandescent/halogen bulbs or fixtures. Perfect for adding precise light level control -- all it takes is a soft tap to turn on/off or adjust brightness.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
