

The sofTap Wi-Fi Ready Master Tru-Universal Dimmer works with virtually any 120V dimmable bulb or fixture, and pairs with the adorne Hub to create a smart Wi-Fi Lighting Control System for your home. Manually turn lights on/off or adjust their brightness with the soft tap of a finger, or enjoy mobile control and create custom lighting scenes to control lights through the Legrand Lighting Control app for smartphones or tablets. For 3-way, or multi-way applications, use one master device with additional remote devices. Also compatible with Amazon Alexa and Google Home. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Installs in 25 minutes or less, fitting into an existing electrical box and wiring directly to the light.

Works with virtually any 120V dimmable bulb or fixture.

Self-calibrates when you select your fixture's lighting type, automatically setting the appropriate minimum voltage to eliminate flicker and poor performance.

Pair with a sofTap Wi-Fi Ready Remote Dimmer for 3-way control. Simply follow the provided instructions after installing to pair with the Master Dimmer.

## Specifications

### General Info

Product Line	Pass & Seymour	Color	Graphite
UPC Number	785007234664	Country Of Origin	China
Number of Switches	1		

### Technical Information

Number of Gangs	1	Number of Poles	Single Pole, 4-Way, Multi-Location
Wattage	700 W	Mounting Type	Box
Voltage	120 V	Connection Type	Internal Pressure Plates
