

- AFCI Arc Fault GFCI Ground Fault Receptacle Made exclusively for use with screwless Wall Plates from the radiant® Collection, sold separately.

Features & Benefits

Delivers reliable arc-fault and ground fault protection, reducing risk of both electrical fires and injury due to shock.	Conducts an industry-leading automatic self-test every 3 seconds. If the device ever fails, the indicator light flashes to signal it should be replaced
Equipped with proven SafeLock protection feature: if critical components are damaged and protection is lost, power to the receptacle is disconnected.	Complete the look with a sleek, screwless radiant® Wall Plate, and coordinate with other designer switches and outlets available from the radiant® Collection.

Specifications
