View our [FAQ](#) page to learn more.

## Features & Benefits

Receives images from the Exterior Video Doorbell Camera for a convenient view of the front door.

Communicates via audio with any other Interior Intercom Units installed throughout the home (system limit of three).

Mount the unit to the surface of a wall, or simply place upright on a tabletop using the easel back.

Includes power cable. Must be plugged into an existing outlet. It can be surface-mounted to the wall, or placed on a tabletop through use of the integrated easel back.
