

6' Aluminum Plugmold Multioutlet System, IG

## Features & Benefits

Attractive, tapered snap-together aluminum extrusions. Blend with any décor. Enables quick and easy circuit modifications or additions.

Satin anodized finish. Provides aesthetic upscale appearance and corrosion resistance.

Full range of fittings. Provides a complete wiring solution.

Factory wired in 3', 5', and 6' lengths with flush 15A, 120V specification grade receptacles. Ideal for locations requiring a high concentration of devices.

Choice of standard 6", 12" and 18" or custom receptacle spacings. Provides flexibility of outlet locations.

Choice of single circuit, alternating circuit or isolated ground receptacles. Meets any job requirement.

Customization available. All products can be modified to accommodate virtually any application.

This product meets the material restrictions of RoHS.

## Specifications
