

adorne Collection  
adorne® LED Light Extender, Titanium  
Part No. ALEXTLEDTM4

Ideal for corner cabinet installations, the LED Light Extender enables adorne LED lights to be mounted up to 22 inch from backsplash by extending cord length beyond default 11 inch. Pair it with the adorne LED Linear Light to enjoy a bright lighting option for illuminating countertop work spaces that plugs directly into any system module. The recommended positioning of the LED Linear Light is one light for every 18 inches of modular track. ⚠️WARNING: This product can expose you to chemicals including DBP, which is known to the State of California to cause birth defects or other reproductive harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## Features & Benefits

Installs in 2 minutes or less, simply plug into any module opening to begin lighting counter work spaces

Must be used with an adorne Control Box within a Under-Cabinet Lighting and Power System

Designed for use with the adorne Under-Cabinet Lighting and Power System only. Exclusively fits onto the adorne Modular Track
