

Legrand

adorne® 1-Gang Control Box No Devices
Part No. APCB4TM1

Add the lighting control or power access for your adorne Under-Cabinet solution by connecting to the existing in-wall wiring. Easily customize with adorne devices of your choosing, for clean counters and more functional space, all without interrupting your backsplash. 2-Gang Control Box also available.

Features & Benefits

Perfect for eliminating clutter and creating a more functional kitchen counter space.

Connects to existing in-wall wiring. Add adorne switch, outlet or dimmer devices to power your customized Under-Cabinet Lighting and Power System.

Designed for professional, hard-wired installations.

Keeps countertops free of the hazards and mess of wires.

Single-pole operation is ideal for controlling a garbage disposal or adorne LED Linear Lights.

Once installed, this item is designed to fit onto the adorne Modular Track.
