

Legrand
adorne® Direct Wire Modular Track
Part No. APDWCTM1

The sleekest control option for your adorne Under-Cabinet Lighting and Power System. Connect to existing in-wall wiring for a solution that reduces clutter and allows for remote control of your under-cab devices.

Features & Benefits

Perfect for eliminating clutter and creating a more functional kitchen counter space.

Enables direct wire feed of power from in-wall wiring, eliminating the need for a Control Box.

Designed for professional, hard-wired installations.

Keeps countertops free of the hazards and mess of wires.

Single-pole operation is ideal for controlling a garbage disposal or adorne LED Linear Lights.

Once installed, this item is designed to fit onto the adorne Modular Track.
