

adorne Collection
Discontinued - adorne® Under-Cabinet PRO Starter Kit
Part No. APMTPROTM1

The kit provides everything you need to get started with an adorne Under-Cabinet Lighting and Power System, including two under-cabinet modular tracks, a 2-Gang Control Box with Paddle Dimmer and GFCI Outlet, a tablet cradle and a 15A under-cabinet outlet module.

Features & Benefits

Easily add lighting and power to a kitchen for clutter-free counter space

Includes the main components needed for a kitchen update: an adorne Control Box with Paddle Dimmer, 18 inch Modular Track, 12 inch Modular Track, an additional Tamper-Resistant Outlet, and a Tablet Cradle

Designed for professional, hard-wired installations. Connect the Control Box to existing in-wall wiring to power an Under-Cabinet Lighting and Power System

Installs in 30 minutes or less

Additional modules and products (such as USB Outlet modules and LED Linear Lights) available to further customize your Under-Cabinet Lighting and Power System
