

adorne Collection  
adorne® Pop-Out™ Outlet with Gloss White Wall Plate  
Part No. ARPTR151GW2WP

The cleverest way to add power and style, this 15A pop-out wall outlet extends to offer 3-plug access, then uniquely disappears back into the wall with a simple push when not in use. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Perfect anywhere you'd like to hide outlets when not in use, for added style and safety

Provides additional power access with three outlets (15A NEMA 5-15R) available when extended from wall

Disappears back into the wall with a simple push when not needed

Compatible with all standard steel mud rings, installs easily in as little as 15 minutes

Comes with a special frame for mounting and requires a deep electrical outlet (22.5 cubic inches). No new wires required for typical installation

Meets commercial application requirements through 20A Feed-Thru rating

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect

An ideal addition for hospitality projects, where more options for power access are desired or required

More color options available to fit any style, including finishes to match current hardware and lighting trends

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets
