

Perfect for pantries, garages or anywhere you want lights to turn on automatically when you enter a room, and turn off again when you leave. The Auto-On/Auto-Off SensaSwitch® provides convenient lighting control by responding to your presence through motion-sensing technology. Use this motion sensor light switch on its own to control a light or fixture from a single location, or pair with additional switches to control a single light source from multiple locations (3 or 4-way applications).

This switch\* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product.

\* Existing inventory of switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label.

Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

## Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology	For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.
Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.	Features motion-sensing technology for automatic on/off lighting control. (Auto shut-off can be set from 5 to 30 minutes after vacancy.)
Usable in single-pole or 3-way applications. Must be paired with another SensaSwitch or SensaDimmer for 3-way control.	More color options available to fit any style, including finishes to match current hardware and lighting trends.

## Specifications

### General Info

Product Line	Pass & Seymour	Color	Graphite
Country Of Origin	China	Features	Antimicrobial Protection, Motion Sensor
Switch Type	Motion Sensor	Number of Switches	1

Warranty Type	Limited Lifetime Warranty		
Dimensions			
Product Width US	1.85 in	Product Depth US	1.77 in
Product Height US	2.66 in		
Technical Information			
Sensor Type	Occupancy, Vacancy	Number of Gangs	1
Number of Poles	4-Way, Single Pole	Mounting Type	Box
Connection Type	Internal Pressure Plates
