

adorne Collection  
adorne® 15A Paddle™ Switch, Engraved - Nightlight, White  
Part No. ASPD1532WENL

Engraved adorne devices for hospitality are now available as a stocked item. This makes it easy for our customers to place orders and for our hospitality partners to specify our solutions. Each switch is factory engraved ensuring the highest quality and consistency.

## Features & Benefits

Laser engraved at the factory with the word "Nightlight"

Use on its own to control a light from one location (single-pole operation) or pair with a second switch or dimmer to control a single light source from two locations (three-way operation)

This item also comes in 20A and 20A 4-Way options.

Perfect for anywhere you'd like to upgrade the look of a standard switch.

Pair with matching Paddle Dimmer or Paddle Fan Speed Control to create a uniform look throughout a room

This item is also available in Magnesium.
