

adorne Collection  
adorne® 277V 4-Way Paddle™ Switch  
Part No. ASPD1542W277

A modern twist on classic up-and-down switch control, the Paddle Switch lets you turn lights on and off with ease. Use this device with additional switches or dimmers to control a single light source from multiple locations. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

Combine with other switches or dimmers in 4-way applications, allowing control of a single light source from multiple locations.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
