

Working in conjunction with an adorne Hub and a Touch Wi-Fi Ready Master Switch for 3-way control. Use the switch to turn lights on/off with a simple touch. And, create custom lighting settings to control lights from your smartphone or tablet via the Legrand Lighting Control app. Also compatible with Amazon Alexa and Google Home. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

Installs in 25 minutes or less.

Compatible with iOS and Android devices for app-based control, simply download the free Legrand Lighting Control app.

Part of the adorne Wi-Fi Lighting Control System, this device requires the adorne Hub to operate.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.

Allows 3-way application when paired with a Wi-Fi Ready Master Switch, letting you control a light or fixture from an additional location without running new wires. Pair with the Wi-Fi Ready Master Switch via the easy-to-follow instructions.

Also compatible with Amazon Alexa and Google Home, and even integrates into advanced home automation systems.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
