

adorne Collection
adorne® sofTap Switch, Light Almond
Part No. ASTP1532LA4

Turn lights on/off with just a soft tap of a finger, thanks to the inventive micro-movement technology of this beautifully modern designer light switch.

This switch* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product.

* Existing inventory of switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label.

Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

No antimicrobial efficacy claims are being made or are valid with respect to products sold in Canada.

Features & Benefits

Helps fight the growth of stain and odor-causing bacteria through the invisible and continuous product protection of Microban® antimicrobial technology

For complete installation, device must be paired with an adorne® screwless Wall Plate (not included). Available in a range of contemporary colors and stunning finishes.

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

Features innovative micro-movement control that turns lights on and off with a lighter push action. Usable in both single-pole and 3-way applications.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
