The Whisper Wi-Fi Ready Master Switch pairs with the adorne Hub to create a smart Wi-Fi Lighting Control System for your home. Manually turn lights on/off with a light fluid motion at the wall, or enjoy mobile control and create custom lighting scenes to control lights through the Legrand Lighting Control app for smartphones or tablets. For 3-way, or multi-way applications, use one master device with additional remote devices. Also compatible with Amazon Alexa and Google Home. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 25 minutes or less, fitting into an existing electrical box and wiring directly to the light.

Compatible with iOS and Android devices for app-based control, simply download the free Legrand Lighting Control app.

Part of the adorne Wi-Fi Lighting Control System, this device requires the adorne Hub to operate.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.

Pair with a Whisper Wi-Fi Ready Remote Switch for 3-way control.

Also compatible with Amazon Alexa and Google Home, and even integrates into advanced home automation systems.

More color options available to fit any style, including finishes to match current hardware and lighting trends.
