

Stainless surface with satin nickel frame, for a trendy industrial touch that's also sophisticated. A 1-Gang Wall Plate, it is perfectly sized to fit a standard-sized adorne device, or any combination of two half-sized adorne designer switches or outlets.

Features & Benefits

Includes one Wall Plate and one Steel Frame for mounting the wall plate.

A perfect finishing touch for any space, adding a sleek and contemporary aesthetic through its screwless design and low-profile.

Made to exclusively fit the designer switches, dimmers and outlets from the adorne® Collection, snapping into place with ease.

Other Wall Plates from the adorne® Collection are available in extensive range of on-trend colors, materials and cast metals.

Coordinate with other designer switches and outlets throughout your home for a cohesive, contemporary look.
