Part No. AWP3GBL4

Light and airy thanks to its sky-like hue, it pairs beautifully with adorne devices in White or Magnesium. Made exclusively for use with designer switches and outlets from the adorne® Collection. This wall plate* features enduring Microban® antimicrobial technology that works to reduce the growth of bacteria, around the clock, for the lifespan of the product. * Existing inventory of switches, dimmers and plastic wall plates from the adorne® Collection at some partner locations may not yet include Microban® protection. To confirm that a specific Legrand product is protected with Microban®, check that the exterior of the product packaging includes a green dot or a "Protected with Microban" label.
