

Wiremold Powered Cable Management Box Part No. CCBP8-BK

A two-in-one solution that provides the power you need and the organization you want, the Powered Cable Management Box from Legrand is perfect home offices, workspaces or entertainment areas. Unlike other cable management boxes that require a separate power strip, this solution features built-in power for greater convenience. Includes eight outlets in total, four of which rotate up to 90° to accommodate larger plugs or adapters. The Powered Cable Management Box also provides surge protection for connected equipment.

Features & Benefits

Neatly conceals unsightly cords to keep your space clutter-free and organized.

Includes 8 outlets: four remain stationary, while four can rotate up to 90° for easier access and use with bulky adapters, large plugs or power supplies.

Box closes with a simple locking mechanism for safety, without hindering your access

Indicates surge protection and electrical grounding with an LED light for safety and assurance.

Provides built-in power – no buying a separate power strip or struggling to keep a detached one in place.

Box expands when open, making it easier to add, adjust or remove plugs and cables.

Features surge protection (2160 Jules rating) to keep your devices and equipment safe.

Plugs into any standard outlet with a 6' cord for flexible placement. Easily pair with Wiremold CordMate products for a complete cord-covering solution.
