

Features & Benefits

| | |
|---|---|
| Heavy duty Nylon body is resistant to impact and corrosion | Rubber grommet provides a liquid-tight seal and reduces cord pull-out while resisting chemicals |
| Available in straight, 90: , and underground feed styles | Color coded grommets make for easy identification and ease of installation |
| Rugged construction suitable for various industrial applications such as MRO, food processing, water/waste water, marine, pulp & paper, and petrochemical | |

Specifications
