

VERTICAL CABLE RINGS, 2RU, BLACK

## Features & Benefits

Creates an organized vertical channel for patch cables: Mounts to any industry standard EIA Rack for vertical management of patch cords.

Manufactured out of steel: Sturdy and durable.

Includes mounting hardware: Do not have to purchase as separate item.

Designed for multiple rack installations: Used between adjacent racks.

Slotted mounting holes: Ease of installation.

Ideal for pre-existing installations where vertical management is required.

## Specifications

### General Info

Color	Black	UPC Number	662875539193
-------	-------	------------	--------------

Country Of Origin	United States	Product Line	Legrand
-------------------	---------------	--------------	---------

Application Sector	Commercial
--------------------	------------

### Additional Information

RoHS Conformant	Yes
